“Where Your Care is Assured”

Wednesday, March 25, 2020

Dear Valued Caregivers,

With the recent Coronavirus disease outbreak, **Assured Health Home Care** is adhering to all infection control measures and would like to make sure you and your family are safe during this pandemic. Here are some precautions to take:

PRECAUTIONS: Here are some precautions to take:

- 1) Wash your hands **FREQUENTLY** with soap and water for **AT LEAST 20 SECONDS**.
- 2) Avoid touching your eyes, nose and mouth
- 3) Clean and disinfect frequently touched objects and surfaces
- 4) Cover your cough or sneeze with a tissue. Throw the tissue in the trash after using it.
- 5) If you suspect you are sick with COVID-19, call your healthcare provider immediately to ensure they take the necessary precautions, in order not to spread infection.

SYMPTOMS of COVID-19 include: 1) high fever, 2) shortness of breath, and 3) cough.

AVOID DISEASE TRANSMISSION: If you are sick with the symptoms above, you will be mandated to stay home until we obtain a doctor’s note clearing you to go back to work.

For more information about how to protect yourself and your family please visit the CDC website at:
